**Manager of S & H Green Stamp Center Says Her Work is Play**

Work is very close to play for Mrs. James (Lucy) Shepard, who holds a position many women would envy. Mrs. Shepard is new manager of the Torrance S&H Green Stamp redemption center at 20914 Hawthorne Blvd., and as such is the first woman to see

arranged all the items on display ("I just love to figure out where to place things") and decides where each item would look best—a dream for any woman who likes to move furniture and arrange her house! "Meeting all the people and seeing all the lovely things" is the part Mrs. Shepard, who previously managed the Inglewood Store, likes best. "The new store is perfectly stunning, and I can't wait to actually start working there," she said.

**MARKET JAMMED . . .** Shoppers visiting the new Torrance Fox Market at 20900 Hawthorne Ave. filled the area to overflowing this week as they sought to take advantage of the many opening specials and see the many entertainers scheduled for appearances throughout the week end. The celebration will continue this coming week. (Herald Photo)

**Co-op Gallery Opening 2-Man Exhibit Sunday**

Marked contrasts both in technique and in subject matter will characterize a two man exhibit scheduled to open Feb. 14 at the Artists Co-op Gallery, 121 South Pacific Ave., Redondo Beach.

Louis Monza and Catherine Fels, widely known South Bay artists, will join forces in an exhibit entitled "Canyons of the Indian Country." A recent trip through the Indian Country inspired both artists as to subject matter but their very dissimilar styles provide an exhibit of great variety for the viewer.

A reception honoring both artists will be held at the Gallery Friday evening, Feb. 19, from 7 to 9 p.m. The public is cordially invited. The exhibit, opening Feb. 14, extends through the 27th.

In addition to the oils both artists will include prints of a wide variety of subjects. Monza has included a series of prints of the "science fiction" type—many with space ships and fanciful men from other planets. Mrs. Fels prints, by contrast to Monza's purely imaginary subjects, reflect nostalgic scenes from ghost towns and mining sites of the old west.

Both artists are members of the South Bay Community Arts Assn. and are represented in many private collections. Mrs. Fels is a member of the Fine Arts faculty at the University of Southern California.

Marine Pvt. Leon W. Thorn, son of Mr. and Mrs. Charles W. Thorn of 25030 Cypress St., Lomita, completed recruit training Feb. 4 at the Marine Corps Recruit Depot, San Diego.

The 11-week course included instruction in all basic military subjects and infantry weapons.
